Cottages Chronicles

SPRING DAY AT THE COTTAGES

On 1 September the residents of the retirement village gathered at the lapa where the staff had prepared a feast for everyone to enjoy and bid farewell to the winter.

The residents joined in the spirit of the occasion by wearing their spring hats and brightly coloured clothes.

The cottages chairman **Moth Neville Lynn** welcomed everyone to the function and thanked Bettie and the staff for their arrangements.

Clive Hatch said grace before the party started but also reminded everyone that while it was a glorious spring day they should not pack away their winter woolies because it has been known to snow in Witbank during September in the past.

CHRONICLES ONE YEAR OLD!

The first edition of the *Cottages Chronicles* was published in September last year.

This will be the seventh edition that has been published. By all reports it would seem that it has been well received but of course there is always room for improvement. Please let me know if the *Chronicles* do

meet up to your expectations or what can be done to improve the publication.

Your comments are welcome either by e-mail: cliveh@yebo.co.za or phone: 082 601 9376 or hand in your comments to **Bettie** in the office.

It is a shame that a shower of rain can't freshen peoples attitudes like it does flowers and grass

RESIDENTS COMINGS AND GOINGS

A very warm welcome is extended to:

Jannie Oosthuizen in the single quarters;

Maritz Pretorius into Flat 18:

Gerald and Rita Burger into flat 5;

Chris and Meraai Steynberg into flat 29;

Farewell to Hazel Bibby who has left for health reasons

There have been a number of complaints about pot plants and ornaments having gone missing from in front of residents premises and even from the front door of the lounge.

Please report any one you may see removing plants. It would be sad if we have to install closed circuit TV to eliminate petty theft.

Best wishes to the following people who either celebrated their birthdays in September or are doing so in October. We wish you many more happy and healthy years in the future.

SOME MORE POLITICAL PEARLS OF WISDOM:

When I was a boy I was told that anybody could become President; I'm beginning to believe it.

~Quoted in 'Clarence Darrow for the Defence' by Irving Stone.

I have come to the conclusion that politics is too serious a matter to be left to the politicians.

~Charles de Gaulle, French general & politician

Instead of giving a politician the keys to the city, it might be better to change the locks.

~Doug Larson (English middle-distance runner who won gold medals at the 1924 Olympic Games in Paris, 1902-1981)

A politician is a fellow who will lay down your life for his country.

~Texas Guinan. 19th century American businessman

Politics is the gentle art of getting votes from the poor and campaign funds from the rich, by promising to protect each from the other.

~Oscar Ameringer, "the Mark Twain of American Socialism."

THANK YOU

We express a very sincere thanks to the following people and organisations who assist the cottages and our residents.

- The New Life Church for their very generous donation of tinned groceries;

Gardening tip:

An easy way to keep your pot plants watered during the current drought and hot weather, especially when you are away on leave, is to obtain a 1 or 2 liter cold drink bottle, make a hole in the top then fill it up with water.

Once filled place it upside down in the pot plant and the water will drip into the pot slowly.

As can be seen in the photograph below they are making excellent progress. After only three weeks they are able to get out of their chairs and do some stretch exercises.

In a couple of weeks time we should be able to start to supply tomatoes, onions and green peppers.

We will also be starting to grow some herbs in the garden in the near future.

HELP DESK ONE YEAR OLD

In September last year the committee introduced the help desk to try and improve communication between the committee, management and the residents of the complex.

During the first year we have attended to a number of issues that have been reported such as having the street lights repaired and the poles painted as high as we can; road markings redone; light installed at the steps behind the security gate; repainted water and drain pipes as well as a number issues to individual flats.

A number of residents personal problems have also been addressed.

We are currently in the process of repairing and replacing facia boards we hope to replace the fibre glass behind flats 19 to 22.

Is the *Help Desk* serving its purpose? If you are unhappy with the operation of the service that you are receiving, I would hate to think that I am wasting my time.

Crater 1928 Shellhole was well represented at the Bowls Day organised by Gondar Shellhole in Middelburg on Saturday 10 September.

Two rinks from Crater 1928 attended the event which by all accounts was fun filled and well organised. Moth Piet Human was actually reported as having jived on the green in time to the music.

The cherry on the top was that Moths Brian Engelbrecht, Piet Nel, Piet Human and Eben Fourie were the eventual winners

The community project at the Old Witbank Cemetery organised by *Cllr. Anthonie Brits* On Heritage Day, Saturday 24 September 2016 was attended by District Old Bill *Len Bowker* and Crater 1928 Old Bill *Chris Sonnekus*.

Moths Chris and Len visited the military Graves in the cemetery that had been restored by Crater 1928 Shellhole and the Witbank Sound Memory Cottages.

Moths *Archie Taylor* and *Mervin Maufs* once again did the shellhole proud with the Crater 1928 golf tournament at the Kriel Golf Club on Saturday 24 September

They were very ably assisted by **Thea** and **Sandi-Lee Laufs. Moth Johan Gerber** contributed to the success of the tournament with a very generous sponsorship.

After the golf District Old Bill **Len Bowker** and Crater 1928 Old Bill **Chris Sonnekus** presented a Certificate of Good Comradeship (Non MOTH) to the Management of the Kriel Golf Club for their assistance in hosting the event over many years.
