CYBER SHELLHOLE REPORT AND STATUS AS AT FEBRUARY 2019.

Total Members: 47 (plus 2 Administrators)
Members in Process: 1 (ex SA Navy in Ireland)
Average Age: 61,12 years. (37 members under 70 years, 10 members over 70)

1. The Shellhole will, in time, transfer all of our Kilkenny-based members to the envisioned new Shellhole – perhaps to be called “R1 Shellhole” (this name being politically inoffensive and carries meaning for both the Southern African conflicts and also because of rifle’s FN link to the British Isles forces). The logistics of this venture must still be properly thought out, but one of the members is in regular contact with me with questions and the “how-to” aspect of it. Further: There is the possibility of a more experienced Moth transferring from Gazala Shellhole to the new unit which would possibly assist.
2. The above again raises the probable requirement that Recruit Training notes need to be duplicated onto “video”. This will be a valuable project for the Order as a whole.
3. Moth Ken Meyer continues to monitor comms between members on electronic media, and remains available to assist members with funds-transfers via PayPal.
4. The usual administrative practices are in use.
