

**MSSH CHRISTMAS LUNCH.
MONDAY 16 DECEMBER 2019**

On a beautiful, mild, sunny day ,temperature around 24.5 degrees Celsius, a few of us arrived at the Shellhole to prepare and set up for our Christmas lunch.

Slowly the members drifted in and renewed friendships while supporting Oom Jannies in the time honoured tradition.

Leon and Angus enjoying Jimmys story.

As time marched on the old Bill rang the Bell and everyone filed into the hall and took their places. Philip welcomed everyone and thanked the various people whose endeavours have made this event possible.

He then called upon our Honorary padre, Moth Angus Walker, to say grace.

Thereafter the ladies , waiters and waitrons performed a sterling first class service in feeding the masses.

Moth Fisher was so hungry that he was in the queue with two plates before the meal rush commenced.
