Soon the crowd started arriving and Oom Jannies was in business, with liquid refreshments being the order of the day.

Jan was doing sterling work in supporting the Old Bill with the fire and refreshment orders.

What an absolute pleasure it was to see the response today. Our newly inducted Moths brought their wives and other friends with them. Many thanks to Jimmy Gill, for making the effort to bring Pierre Olivier to the function. Pierre lives in the Vonke Huis retirement home and is very frail.

The braai fire was well stoked due to Peters efforts Everyone was relaxed and the ambience was easy go. Rudie and Rian soon had

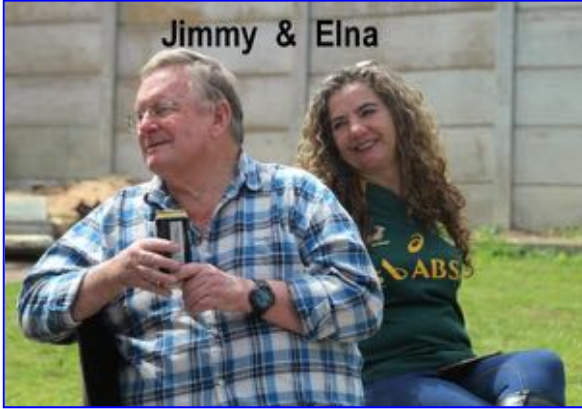

the coals raked and prepared but no one appeared to be in any hurry to do anything. They soon motivated the people to start cooking, and then the rush was on.

Later that afternoon Someone fired The cannon
