RE: RE-PRINT OF OLD SOLDIERS NEVER DIE – CAPE WESTERN PROVINCIAL DUGOUT

Greetings Moth Pogram

As mentioned, Cape Western Provincial Dugout commissioned a second print of the wonderful history of our beloved Order as told by Moth 'O' himself and, the book is now available for sale. **A copy of the book sold by Shellholes to new recruits will enhance understanding of the MOTH, its history and traditions.**

The re-print (paperback cover) will be on sale for **R70.00** (excluding postage and insurance) and is available for all Provinces via the MOTH Office or by direct order. Cape Western Shellholes may buy directly from the Quartermaster's table at Quarterly Commanders meetings.

If possible, please request the MOTH Website Administrator to list on the News Webpage and forward this correspondence to all Provincial Dugouts.

Your co-operation in this regard will be appreciated.

Yours Under the Tin Hat
