## CYBER SHELLHOLE REPORT AND STATUS AS AT NOVEMBER 2017.

**Total Members:** 46 (plus 2 Administrators)  
**Members in Process:** 4 (1 each in UK and Canada, 2 in Ireland)  
**Average Age:** 61,12 years. (37 members under 70 years, 9 members over 70)

1. The Shellhole's membership is at 46. 4 possible recruits are being processed, although responses from them are slow.
2. The proposed idea to set up a new unit in Ireland remains quiet. This is one of the focal points that will be concentrated on in the coming months.
3. Moth Ken Meyer continues to monitor comms between members on electronic media, and remains available to assist members with funds-transfers via PayPal.
4. The usual administrative practices are in use.
5. Plans to get the membership to exchange items of interest (veteran-related) has begun, albeit a bit slow at first.
6. We are informed that the Moths in County Kilkenny attended a Remembrance service at their church on Sunday 12<sup>th</sup> and we await reports of similar services where Cyber Shellhole was represented. I was honoured to lay wreaths on behalf of the Shellhole at both the Wayside Cross Service in Pinetown and at Cinder City Shellholes' annual Remembrance Service in Sea Park on the South Coast.
