TOP OF THE MORNING,

The S A Irish Pipe Band has been invited to perform at the Belfast Tattoo on 7 & 8 September 2017. The band will also be performing in Dublin at the FESSEF National Servicemens Day Parade in honour of the Centenary Celebrations for late president Nelson Mandela. Other performances also include the 100 year anniversary of the Royal Air Force in Portrush and the 30<sup>th</sup> anniversary of 38 Brigade in Northern Ireland.

The Band has embarked on a fundraising program to assist with costs for the bands trip. A Golf Day is planned for 10th august 2018. The winners of this golf day will win a trip to Victoria Falls all inclusive, flights, accommodation and meals. Our other event is a Gala Dinner at to be held in the Presidents Suite at SuperSport Park Centurion on 18th August 2018. Both events will be attended by celebrities and the press.

We believe that you would be interested in assisting the band with their endeavours and have included herewith, the cost for the various options for your kind consideration.
