RE: ASSISTANCE HELDERBERG SOCIETY FOR THE AGED – VÖNKE PARK

Greetings fellow Moths

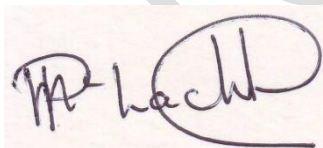

In accordance with the Shellhole's registration as a Public Benefit Organisation; it gives the Executive Committee great pleasure to announce, that personnel from said society will utilise the Hall as a dormitory during the lockdown period.

The healthcare workers at stake provide vital assistance to their most vulnerable patients and have volunteered to go into lockdown away from their families. Between 12 and 18 will be housed at our premises with the rest being spread out amongst the other community halls in our area.

All precautions will be taken to ensure that all remain safe during this period; let's remember that Moths Angus Walker and Harry Bent are housed at the Nightingale Frail care centre and deserve our best assistance in safeguarding their health.

The Security Service Provider and Insurance Company to the premises will be informed.

Yours Under The Tin Hat
