Thank you again for performing this sometimes difficult, time consuming and often unappreciated task.

What would the Order do without it's beancounters?

FUN IN THE SUN... POTJIEKOS

Brother Moths.

Oasis Shellhole was fortunate to be in a position to hold a Potjiekos Fun Day on Wednesday 16th June 2021 on the Field of Dreams at Cottesloe Homes. An ideal opportunity for many to see each other in the open and be relatively safe from the spread of the dreaded Covid.

What started out as a Fun Day turned into a very serious competition with twelve teams eventually competing for the Passchendaele Somme floating trophy.

Passchendaele Somme Trophy some might ask at an Oasis function? Well, the history behind this, is that Passchendaele Somme Shellhole started the Potjiekos Fun Day in 2001. The first winners were Battle Ensign MOTHWA and the Fun Day carried on until 2016 and was won by Moth Eric Bosch. Unfortunately, the Shellhole closed shortly afterwards and the trophy all but disappeared. Many of the members of the defunct Shellhole transferred over to Oasis and have made their new Shellhole their home.

Oasis run a couple of Fun Days after that but there was never a floating trophy. The idea was once again brought up in a Shellhole meeting earlier in the year and the date of the 16th June was decided upon. It was by pure coincidence that Moth Eric popped into to see me about a battery and I asked him if he knew where the trophy was, and with great excitement he said that he was in possession of it. He returned it to me and we were thus able to resurrect the Trophy for the Fun Day, which I believe is a fitting tribute to a lost Shellhole.

The winners on the day were the Johannesburg Regiment Association "Officers", second was Dardanelles Shellhole and third was Just for Fun (Oasis Shellhole).

I wish to thank everybody who attended this fantastic day. Not only did the Shellhole make a few bob, but the Cottesloe pub was able to make some much need cash as well.

To the two judges, namely Moth Kallie Calitz and Moth Brian Bennett, my grateful thanks for a job very professionally done and executed.

To the members of Oasis, their wives and children who helped out on the day, thank you.

We hope to see you all next year, so diarize the 16th June 2022.
