INFORMATION AND CONDITIONS GOVERNING MEMBERSHIP

Applicants for membership of the Memorable Order of Tin Hats should read the following particulars regarding the organisation carefully:

OBJECTIVES

The Memorable Order of Tin Hats (MOTH) is an independent brotherhood of serving and ex-Servicemen and -women, which was created with the following objectives:

- To perpetuate True Comradeship in the spirit of the 'Front Line' by bringing ex-Servicemen together at monthly social gatherings, and thus, through Good Fellowship promote Good Will and Good Deeds.
- To make Mutual Help a live force amongst Moths, thereby spreading that principle in the interest of communal harmony.
- To preach and practice Sound Memory of all sacrifices on the fields of war by practical and not mere lip service.
- To safeguard and advance the interest of serving and ex-Servicemen and -women.

ELIGIBILITY FOR MEMBERSHIP

While all comrades on active service in an operational area, and those who have seen Active Service in an operational area are cordially invited to seek membership in the Order, it is emphasised that membership in the MOTH is a privilege, and Active Service in an operational area does not necessarily give any man the right to such membership. The MOTH, while desirous of maintaining and increasing its strength, does not seek a huge 'paper' membership. It invites only those serving and ex-Servicemen and -woman who are prepared to follow up the ideals and objectives of the Order as sincere and active Moths. The MOTH wants 'Moths' and not 'members'.

QUALIFICATION

Membership shall be restricted to ex-servicemen and -women who have seen Service in an operational area as laid down in the constitution, and who according to the ritual, which is repeated by all initiates "***That he who fought by my side is my comrade still, wherever he may be***". 'On Active Service' as applied to a prospective member, refers to one who was engaged in active operations against the enemy.

NOTE: The intention of this clause is to restrict membership to those who have been privileged to have had operational line service.

The good character and worthy motives of an applicant must be vouched for by one or more of the members of the unit concerned, and applicants must understand, that membership in the Memorable Order of Tin Hats demands service in the interest of serving ex-Servicemen and -women.

It is always understood in a unit of the MOTH that members will not create discord, thereby upsetting the harmony of a meeting. Discussion of politics and religion is also strictly outlawed at any meetings of the MOTH
