**PRESS RELEASE**

THE FULL NATIONAL EXECUTIVE  
ALL PROVINCIAL DUGOUT EXECUTIVES  
(Only, at this stage)

**RE: MOTH ZIMBABWE COMMAND**

It has come to the attention of the Full National Executive that serious charges of misconduct in the management of said Command has resulted in a court case being conducted in the Zimbabwe High Court.

The court has already brought judgement on the matter at hand and instructions were given on the publication of required information. A police investigation is currently ongoing in Zimbabwe relating to further acts of misconduct, thus relegating the matter to *sub judice* status. Due to the fact that Zimbabwe is an independent country with its' own laws, regulations and currency, MOTH GHQ has no jurisdiction over MOTH Zimbabwe Command and therefore distances itself from the ongoing process.

Once final judgement in the new court case is received, MOTH GHQ will decide on the way forward. As is the case in South Africa, Command Dugouts constitutions and general standing orders are subservient to the country's constitution and common law and, it is expected of all units to adhere to this rule of conduct.
